Dear Mr. Casten:

Thank you for your donation of \$840 to the Chesapeake Bay Foundation (CBF), representing proceeds from The Rockfish Restaurant's 1st Annual Seafood & Wine Festival on September 21, 2008. We depend on donations such as these to support our programs in outreach, environmental education, advocacy, litigation, habitat protection, and the restoration of our natural resources throughout the region. A receipt for this contribution can be found on the reverse side of this letter.

Your support of CBF is deeply appreciated and is an outstanding example of the cooperative partnership that is needed to help meet the challenges of saving the Bay. It is with the help and dedication of organizations such as yours that we will build the next generation of committed Bay stewards and restore the fragile Chesapeake ecosystem for generations to come.

If you'd like to learn more about how your organization can partner with CBF through event sponsorship, promotional relationships, or benefit events, please contact Tracy Devine, Manager of Events and Promotions at tdevine@cbf.org or 443/482-2125.

Warmest regards and thank you again for ALL that you do.

Sincerely,

William C. Baker
President
